

Instructions for filling in the application form

In order to initiate the procedure for recognition of foreign professional qualifications, it is necessary to complete and manually sign the application form for recognition of foreign professional qualifications and submit it to the Croatian Chamber of Medical Biochemists:

- Please fill in legibly points 1, 2, 4, 5 and 6 of the form
- Please pay special attention to point 2.1. and indicate the correct name of the professional qualification (Master of Medical Biochemistry or Master of Medical Biochemistry specialist), whose recognition is sought by application.

By signing the application form, the applicant guarantees that the information submitted is true and correct.

If during the recognition procedure, the information about the applicant changes, **it is necessary to inform the Croatian Chamber of Medical Biochemists in writing.**
